In Quietness. There comes a time when all effort of our own seems vain; when what ever we do seems to work harm. O we are fretted by the crowd of duties which press upon us so we cannot cope with them, and threaten to overwhelm us. Let us leave them all for a little while and sit still. With the quiet will come refreshment and renewed energy. Sometimes not doing but patient waiting is our duty.

A SYMBOL OF HEALTH

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which the afford. Obtainable everywhere.—Adv. d&w
